

Student Affairs unit

Vision:

Excellence in providing services, student activities and activating student community participation

Mission:

Contribute to the development of the student community by providing distinguished student services and activities in all fields that contribute to developing their skills and enhancing their competitive abilities to serve the community

Objective of the unit:

- Achieving quality in all student and community services and activities provided by the unit
- Enhancing the values of loyalty and belonging to the homeland among male and female students
- Develop and strengthen team spirit and teamwork among male and female students in a manner that serves the community
- Stimulating innovation, excellence and creativity among male and female students and actively contributing to the development of talents
- Investing students' time outside the classroom in programs and activities that develop their personalities and provide them with different life skills for the benefit of society
- Encourage cooperation between the students themselves and between different clubs and organizations, inside and outside the faculty
- Improving the quality of academic and general life for students
- Familiarize students with rights and duties, the legitimate ways to obtain them, and organizing awareness campaigns for students

Tasks of Student Affairs Unit:

- Communicate with the Deanship of Student Affairs to inquire about everything related to students
- Supervising all student activities in the faculty and activating the participation of male and female students in decision-making.
- Paying attention to students' time outside the classroom and investing it in programs that develop the integration of their personalities and provide them with life skills that help them serve themselves, their community and their country.
- Receiving and studying student requests submitted to the unit.
- Increase health awareness, sports culture and health education among students
- Preparing awareness programs and lectures for new students
- Informing students of university rights and duties
