Rome, May 23, 2022
Graduation Date

To whom it May concern

I am writing this letter to inform that Ms. Muneera Saeed Alghamdi successfully discussed her PhD thesis (viva) on March 22, 2022. According to the procedures of Sapienza University, the degree is awarded on the date of the discussion. However, Ms. Alghamdi still has some administrative procedures pending and she must print the final version of her dissertation. She has two months to prepare and submit her final copy of the thesis.

I would like to certify that Ms. Alghamdi completed the amendments and printed her thesis in its final format on May 23, 2022. Therefore, this is the actual date of her graduation. I am available in case further clarifications needed.

Sincerely,

Professor Giorgio Mariani
Chair of the Doctoral Program
