

Access to OneDrive

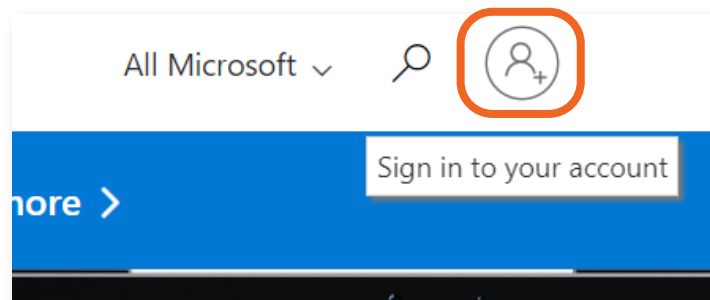

OneDrive is a cloud service from Microsoft that allows you to store and protect your files, share them with others, and get to them from anywhere on all your devices. To access and benefit from the OneDrive service, please follow these steps:

- 1 Go to the main page of the OneDrive cloud storage service in Microsoft.

<https://www.microsoft.com/en-us/microsoft-365/onedrive/online-cloud-storage>

- 2 Click on the Sign In icon at the top of the page, then sign in with your student/faculty member's university mail to take advantage of the services offered in OneDrive cloud storage.

- 3 After signing in, your OneDrive page will open, where files can be added, deleted, or modified.
