How to Create a Poll in Virtual Classes

To create polls within virtual classes using multiple-choice and yes/no questions, please follow these steps:
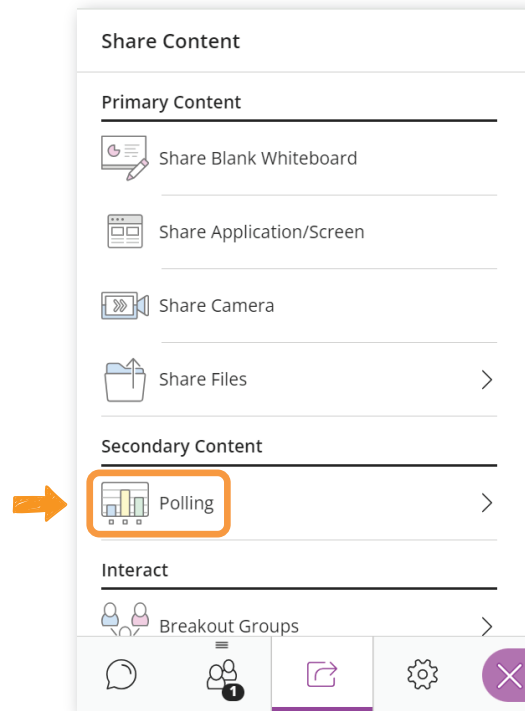

**1** From the virtual class, click the Open Panel button in the lower right part of the screen.

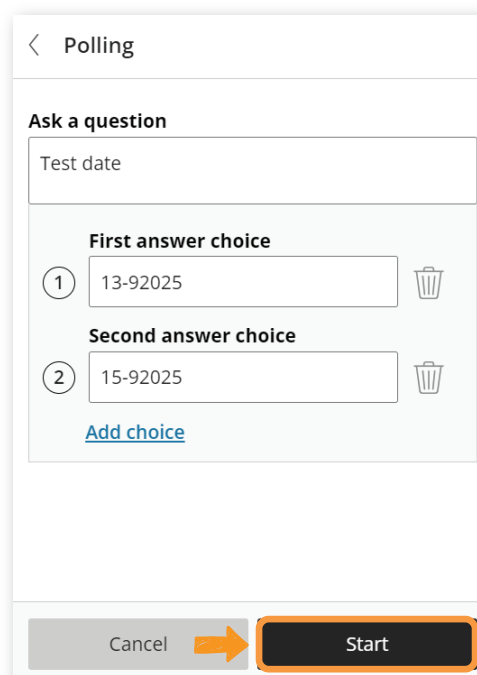

2 Click the share content button

③ From the menu, select Polling.

Share Content

Primary Content

🖉 Share Blank Whiteboard

⊞ Share Application/Screen

▷ Share Camera

🗁 Share Files ›

Secondary Content

➡ ⬛ Polling ›

Interact

👥 Breakout Groups ›

💬 👥❶ ↗ ⚙ ✕

④ Choose the poll type.

‹ Polling

Multiple Choice

Yes/No Choices

⑤ Type the question and choices and then click Start.

‹ Polling

Ask a question

Test date

First answer choice

① 13-92025 🗑

Second answer choice

② 15-92025 🗑

Add choice

Cancel ➡ Start

6 The poll will appear to students in the virtual class. When most students have answered, you can stop the poll using the Stop icon.

Test date ➡ ⊡ ✕

No Response	1
(1) 13-92025	0
(2) 15-92025	0
