

How to Submit Assignments via the Blackboard App

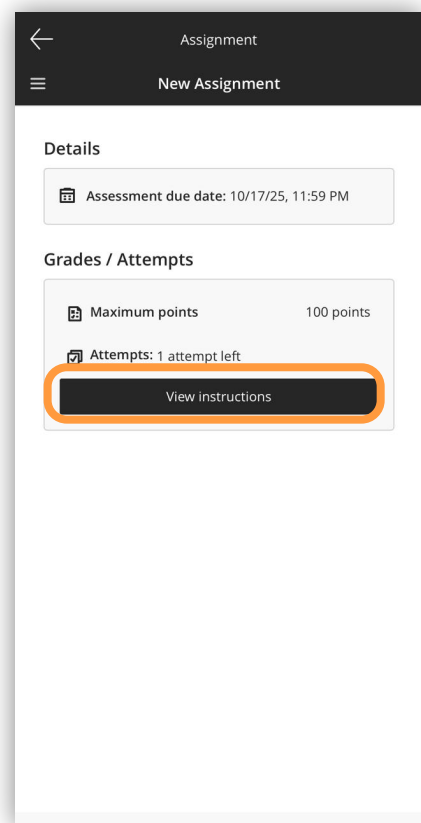

To complete assignments using the Blackboard app, please follow these steps:

- 1 From the **Courses** list, click on the **course** you want to solve the assignment in.

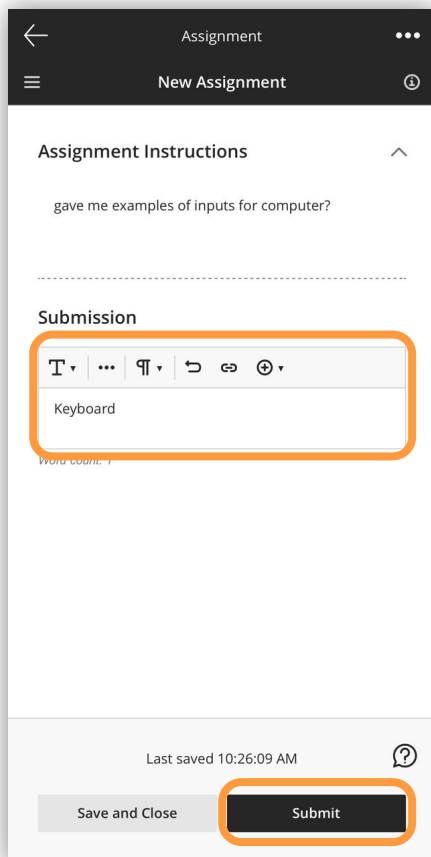

- 2 From the **content**, click on the **assignment** you want to view.

- 3 A page with the assignment details will appear, click on [View Instructions](#).

- 4 The assignment content will then be displayed. Complete the assignment, and once finished, click on [Submit](#).

- 5 After submitting, you can click on [View Submission](#) to review your submission.
