How to access the Blackboard Ultra

To access the Learning Management System, please follow these steps:

1 The Learning Management System can be accessed from the electronic services on the university website home page or through the following link: https://lms.bu.edu.sa/

2 After reaching the learning management system page, you can choose the language you want from the icon at the top of the page.

3 Then enter the university number and password, then click Student Sign In.
